Thanks.

The background on this is he was okay donating the decorations, but the missing part was labor to install them right?

Sorry for the delay. His name is James, the company is Almost Christmas.

His phone number is 81

Let me know if you need anything else!

Best,

Hey,

I think Bollis the owner or past owner.

Hello Bolland Aaron,

Do you happen to know who owns the building on Magnolia Blvd that the Art Institute is in, between Tejano and Brickyard?

Could you please let me know, I have an issue I would like to discuss with them.

Thanks a million!
